

Are you a woman of Black heritage? Do you want to be part of historic change?

You are invited to a Conference on
Tuesday 31st March - 10am-3pm
Bridge Community Church LS9 7BQ

Violence against women and girls is a serious issue, and too often it stays hidden or unheard.

This is a safe space for women of Black heritage to shape real change. Your experiences and ideas will directly influence the support offered and the action taken to reduce harm.

This is about turning lived experience into solutions that protect women now and build a safer future for generations to come.

Lunch and refreshments provided
